## Insight

Test Date: Oct 01, 2013
Test Level: $\quad 2$
Grade: $\quad 4$
Insight measures seven important cognitive
abilities that have been associated with
learning in school. It also provides
screening to recommend students who
may require further assessment. It is
important to consider the student's day to
day functioning in school in conjunction
with Insight scores when making decisions
about their strengths and needs.
