Step 1 – Allow Cookies
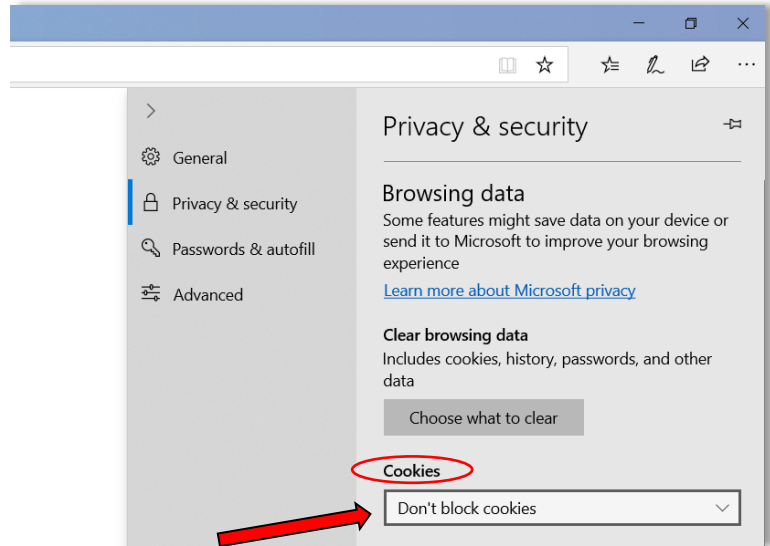

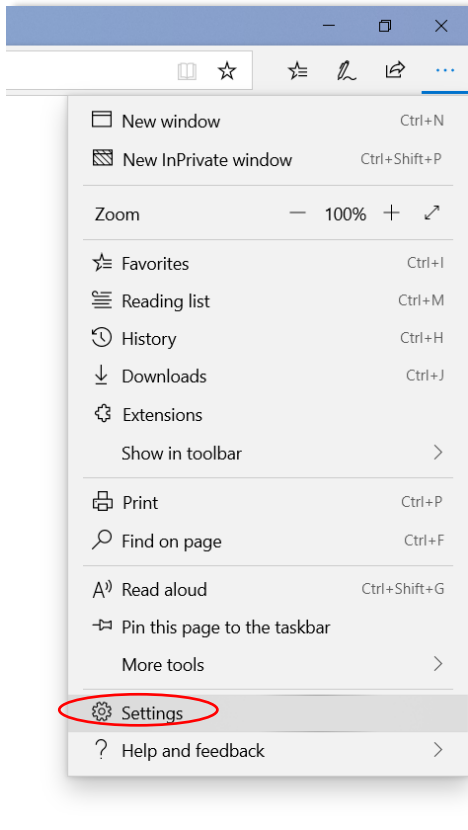

Open Browser Settings Menu -> Privacy & Security -> select "Don't block cookies"

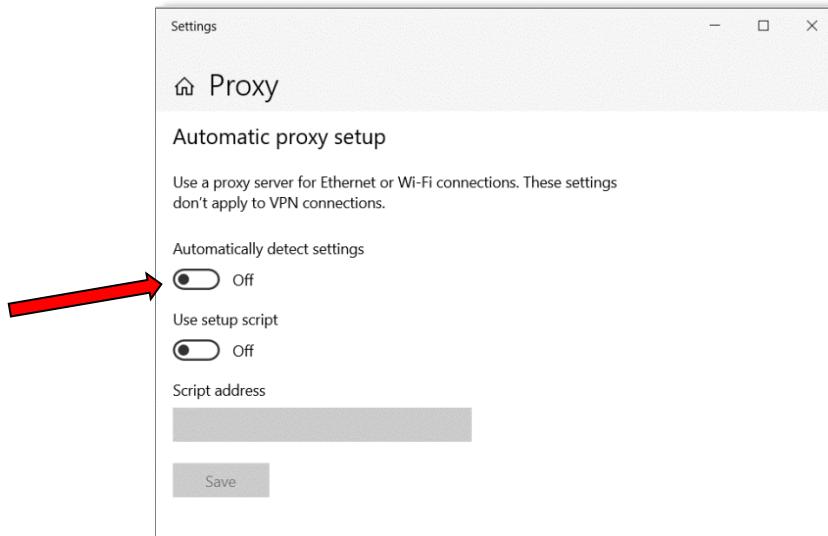

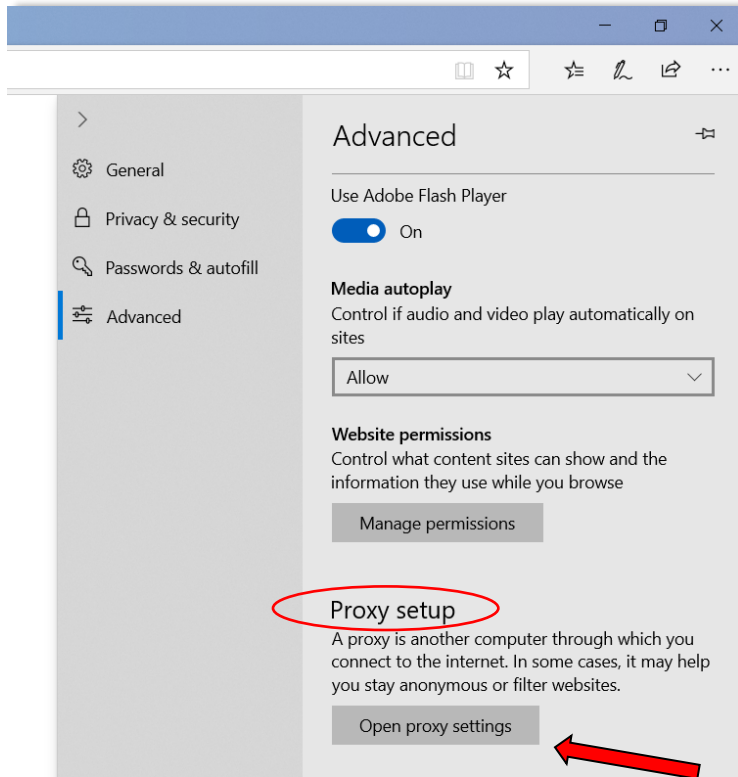

Step 2 – Enable Pop-ups

Under Privacy & Security (scroll down from Cookies) -> Security: turn "Off" Block pop-ups; and turn "Off" Windows Defender SmartScreen

Step 3 – No proxy settings

Advanced -> Proxy setup -> Open proxy settings -> turn "Off" all proxy settings

*Please note: the most updated version of Microsoft Edge has enabled JavaScript by default.
