

# Cat5 Level 20 Teacher's Guide

(Semester) Spring testing: May 1<sup>st</sup> – June 30

## Language and Mathematics Subtests

Please note that *Cat5 Level 20 subtests* cover the *Grade 10 curriculum*, so it is intended for students who have completed most of Grade 10. The testing dates are noted above, please administer the tests within that timeframe.

### Language Subtests

	Requirements	Administration Times
Reading		60 minutes
Word Analysis		
Vocabulary		
Writing Conventions		40 minutes
Spelling		

### Mathematics Subtests

	Requirements	Administration Times
Mathematics*	Calculators permitted	70 minutes
Computation & Estimation		
Real World Math		

\*Please refer to Appendix B to determine which stream the course code refers to in your province.

## Reminders

- Teachers should administer *each* subtest in one sitting.
- (For Language subtests) Administer the Reading subtest first.
  - The contexts for many of the questions in the language subtests are taken from themes found in the Reading subtest.
- Refer to **Appendix A** below to determine the *English Language courses* in your province that are associated with each subtest.
- Refer to **Appendix B** below to determine the *Secondary Mathematics courses* that are associated with each subtest.
  - Teachers who teach both streams in *Academic/Applied, Foundations/Pre-Calculus, or College/University* should create separate test sessions to provide students with the correct test (e.g. Academic students will have access to the Academic test session).
- Refer to **Appendix C** below to view the *Secondary Mathematics Formulas* for ON and WNCP curriculum.
  - To print out the appropriate formula sheet for your students, please visit the Cat5 website and select “*Math Formula Sheets*” under Resources.
  - Please remind students to use  $\pi = 3.14$  for ALL calculations using  $\pi$ .

## Pause and Log Out Sessions

- In order to pause the session during a test sitting, teachers can locate the **Pause Session** button on their Teacher Dashboard in the **Session Details** page.
  - Students must select the **Next button [>]** in order for the pause to be triggered.
- After you return from a break, click on **Resume Session** to give access to students without them having to log in again.
- At the *end of each sitting*, please select **Pause Session** if the devices will not be used for anything else.
- At the *end of the testing day*, always select **Log Out Session for all** on the Teacher Dashboard (in Session Details page) to ensure that students do not continue the test outside of the classroom or outside of your scheduled testing time.

For other user documentation, please visit: [Cat5 Resources](#).

## Appendix A: English Language Guide for Secondary Teachers

Provinces	Grade 9	Grade 10		Grade 11		Grade 12	
<b>ON</b>	De-streamed English (ENL1W)	Applied English (ENG2P)	Academic English (ENG2D)	English College (ENG3C)	English University (ENG3U)	English College (ENG4C)	English University (ENG4U)
